NON-IRRADIATION STATEMENT

Product Name: TULSI (HOLY BASIL) ESSENTIAL OIL
Product Code: DEO-1168

Dose of Naturals hereby certify that, to the best of our knowledge, **TULSI (HOLY BASIL) ESSENTIAL OIL** has not been subjected to any form of irradiation at any stage of its production and does not contain any ingredient that has gone through any irradiation.

This statement is generated electronically and is therefore not signed.

Disclaimer & Caution: We believe the above information to be correct but we do not present it as all Inclusive and as such should be used as a guide. It is the sole responsibility of the receiver of our product to must exercise their independent judgement in determining its suitability for a particular purpose. The liability of Dose of Naturals is limited to the value of the goods and does not include any consequential loss. Dose of Naturals shall not be liable for any errors or delays in the content, or for any actions taken in reliance thereon. Dose of Naturals shall not be responsible for any damages resulting from use of or reliance upon this information. Since many factors affect the processing & application of our product, user should carry out their own tests before any particular application.

SEWER SLUDGE STATEMENT

Product Name: TULSI (HOLY BASIL) ESSENTIAL OIL
Product Code: DEO-1168

Dose of Naturals hereby certify that, to the best of our knowledge, **TULSI (HOLY BASIL) ESSENTIAL OIL** is completely free from and has not been processed with sewer sludge at any stage of its production.

This statement is generated electronically and is therefore not signed.

Disclaimer & Caution: We believe the above information to be correct but we do not present it as all Inclusive and as such should be used as a guide. It is the sole responsibility of the receiver of our product to must exercise their independent judgement in determining its suitability for a particular purpose. The liability of Dose of Naturals is limited to the value of the goods and does not include any consequential loss. Dose of Naturals shall not be liable for any errors or delays in the content, or for any actions taken in reliance thereon. Dose of Naturals shall not be responsible for any damages resulting from use of or reliance upon this information. Since many factors affect the processing & application of our product, user should carry out their own tests before any particular application.

NON-GMO STATEMENT

Product Name: TULSI (HOLY BASIL) ESSENTIAL OIL
Product Code: DEO-1168

Dose of Naturals hereby certify that, to the best of our knowledge, **TULSI (HOLY BASIL) ESSENTIAL OIL** was not produced by gene modification, nor derived from genetically modified organisms. This material does not contain DNA or protein from genetically modified organisms.

Accordingly, the product referenced above should be considered non-Genetically Modified in the context with the directives outlined in Regulation (EC) No. 1829/2003 and 1830/2003.

This statement is generated electronically and is therefore not signed.

Disclaimer & Caution: We believe the above information to be correct but we do not present it as all Inclusive and as such should be used as a guide. It is the sole responsibility of the receiver of our product to must exercise their independent judgement in determining its suitability for a particular purpose. The liability of Dose of Naturals is limited to the value of the goods and does not include any consequential loss. Dose of Naturals shall not be liable for any errors or delays in the content, or for any actions taken in reliance thereon. Dose of Naturals shall not be responsible for any damages resulting from use of or reliance upon this information. Since many factors affect the processing & application of our product, user should carry out their own tests before any particular application.

PURE AND NATURAL STATEMENT

Product Name: TOLU BALSAM ESSENTIAL OIL
Product Code: DEO-1167

Dose of Naturals hereby certify that, to the best of our knowledge, **TOLU BALSAM ESSENTIAL OIL** is 100% pure, natural and without any additives, fillers, or synthetic ingredients.

This statement is generated electronically and is therefore not signed.

Disclaimer & Caution: We believe the above information to be correct but we do not present it as all Inclusive and as such should be used as a guide. It is the sole responsibility of the receiver of our product to must exercise their independent judgement in determining its suitability for a particular purpose. The liability of Dose of Naturals is limited to the value of the goods and does not include any consequential loss. Dose of Naturals shall not be liable for any errors or delays in the content, or for any actions taken in reliance thereon. Dose of Naturals shall not be responsible for any damages resulting from use of or reliance upon this information. Since many factors affect the processing & application of our product, user should carry out their own tests before any particular application.

CALIFORNIA PROPOSITION 65 DECLARATION

Product Name: TULSI (HOLY BASIL) ESSENTIAL OIL
Product Code: DEO-1168

Dose of Naturals hereby certify that, to the best of our knowledge, **TULSI (HOLY BASIL) ESSENTIAL OIL** does not contain chemicals listed under California's Safe Drinking Water and Toxic Enforcement Act of 1986, commonly known as Proposition 65 (Prop 65).

Proposition 65, also known as the Safe Drinking Water and Toxic Enforcement Act of 1986, was established by a ballot initiative in November 1986. The purpose of this proposition is to protect California's drinking water sources from contamination with chemicals known to cause cancer, birth defects, or other reproductive harm. It also mandates that businesses provide warnings to Californians about significant exposures to these chemicals. Proposition 65 requires the state to maintain and update a list of chemicals recognized to cause cancer or reproductive toxicity.

For the latest Proposition 65 list, please visit: <https://oehha.ca.gov/proposition-65/proposition-65-list>

Dose of Naturals ensures that our products comply with Proposition 65 regulations, providing our customers with safe and reliable essential oils.

This statement is generated electronically and is therefore not signed.

Disclaimer & Caution: We believe the above information to be correct but we do not present it as all Inclusive and as such should be used as a guide. It is the sole responsibility of the receiver of our product to must exercise their independent judgement in determining its suitability for a particular purpose. The liability of Dose of Naturals is limited to the value of the goods and does not include any consequential loss. Dose of Naturals shall not be liable for any errors or delays in the content, or for any actions taken in reliance thereon. Dose of Naturals shall not be responsible for any damages resulting from use of or reliance upon this information. Since many factors affect the processing & application of our product, user should carry out their own tests before any particular application.
